

Training Tourniquets Distribution Procedure

In order to receive training tourniquets for classes the following procedure must be followed. The EMS agency or Hospital representative must be a current member in good standing of RAC-R. The agency / hospital must follow the procedures outlined below.

1. The agency / hospital person must complete the following information below to request training tourniquets from the RAC office.
2. Please make sure to list the amount of tourniquets you may need, the amount we came up with is 2 per 10 candidates.
3. The training you are doing must be within the region of RAC-R, if anything outside the region it will need to be approved by the RAC-R board.
4. The training that was agreed upon was **School Districts in RAC-R**, the board will take into consideration if a law enforcement agency request training (upon approval from the RAC Board).
5. The final approval for training tourniquets will be left up to the RAC Board.
6. If you are approved for training tourniquets you must pick them up at the RAC office in Manvel, Texas.
7. Please submit the roster from the course so we can make sure it gets registered in the national data base.

Institution / Agency:		Today's Date:	
Contact name:		Phone:	
Contact e-mail:	How many tourniquets assigned:		
Date of Class :	City and County of training:		
Course: Stop The Bleed	Number of candidates:		

I agree to the terms listed above. Further, I attest that the training will be within the regions of RAC –R borders. I will make sure we have RAC-R members involved in the training.

 RAC-R Representative
