

The Gordon Center is also an approved provider of prehospital continuing education by the Continuing Education Coordinating Board for EMS.

Register now

WHAT: University of Miami Advanced Stroke Life Support® (ASLS®)

A hands-on, 8-hour simulation-based provider course on the management of the acute stroke patient that includes the MEND exam, an easy-to-learn and easy-to-use tool that enhances communication among EMS personnel, nurses, and physicians. The ASLS curriculum is utilized by EMS agencies and hospitals across the United States.

Passing score on the posttest is 72%.

WHO: Presented by University Texas Medical Branch-Main Campus
for paramedics, EMTs, nurses, physicians, physician assistants, respiratory therapists

WHEN: Thursday, January 17, 2019
8:00 am to 4:30 pm

WHERE: UTMB – League City Campus
2240 Gulf Freeway South League City, League City Conference Room 3.416

WHY: Learn to recognize the 5 main stroke syndromes, perform a focused evaluation, understand prehospital protocol, communicate clearly t-PA contraindications, witness information and neurologic exam, know how and when to administer t-PA to acute ischemic stroke patients, and apply the 6 aspects of acute stroke care to hospitalized patients.

HOW: E-Mail Brenda Yanez: bjyanez@utmb.edu

CONTACT: Brenda Yanez- (bjyanez@utmb.edu) will also assist with registration. A **\$100** deposit (check) to hold your spot is required and to be returned if all class obligations are filled. You **must** complete the 8 hour course to receive full credit.

An ASLS® certificate with wallet card will be issued by the University of Miami Gordon Center, developer of the curriculum, to those who successfully complete the course with a passing score of 72% or above.
