

**Conclusions:** Contact TCAR for potential dates to bring course to the region.

Action items	Person responsible	Deadline
✓ Contact TCAR for options of dates.	Diana	3/31/20
✓ Contact Jorie Klein for Level IV Topic Workshop	Kathy	4/30/20

**Agenda item:** DSHS Proposed Rules **Presenter:** Diana/Kathy

**Discussion:**

Kathy reviewed the draft trauma rules focusing on changes that impact facilities. We discussed rules that needed further clarification including staffing, outlining trauma education by course names, etc. Public comment should be sent. The group would like the response to come from the committee. All requested copies of the letter.

**Conclusions:** All agreed we should respond to the rules with deadline 3/20/20.

Action items	Person responsible	Deadline
✓ Send Public Comment from RAC Hospital Committee	Diana	3/20/20
✓ Copy all committee members on email with attached letter.	Diana	3/20/20

***Other Information***

Open Forum:

Melissa Hirn provided a case review regarding an elderly patient with an isolated hip fracture. Issues identified included lack of response of Hospitalists, hypotension, drop in hemoglobin, surgical intervention with patient transporting from ER to OR. Complication of DVT, AKI and metabolic acidosis. Action undertaken by facility: reviewed and modified Bylaws which included use of phone conversation when contacting MD's. Trauma Committee lacked representation from Ortho MD and IM MD. This has been corrected.

Agenda for June Meeting:

- Vicki to present OB trauma for case review.
- Distribution of Burn Fat Heads
- Update on Trauma education courses
- Review regional trauma data
